EXERCISE

Group 1

An active shooter incident took place at a hotel, conference center, and casino complex that is hosting an international delegation from various countries. Several local elected officials were attending the dinner with delegate members. At the same hotel, a Bar Mitzvah was taking place with over 100 attendees. In another part of the complex a Native basketball tournament was starting. There are 51 confirmed deceased and multiple injured. Some of the injured have declined medical attention and some have been taken to area hospitals. The number of injured keeps rising as more information comes into the command post. Your agency has responded to offer assistance to the local investigative agency. Two subjects have been neutralized and another one is in custody. The media has already been reporting on the incident but have not identified any of the victims. All deceased are being taken from the scene to the medical examiner's office.

Deceased names are Angelica H.P. and Krystal S.H. They are sisters and worked at the conference center. The person answering the door is Sophia S. R. Sophia's father, Juan, lives in Honduras.

Deceased name is Robert R. You are assigned to the Friends and Relatives Center (FRC) and a woman checks in as the next of kin of Mr. R. requesting information about him. Her name is Sara and states that she is his fiancé. She is escorted to a quiet room awaiting your arrival. On the way to the quiet room, you are advised that another woman checked in as next of kin for Mr. R. and identifies herself as his spouse, Linda. She is placed in another quiet room. Unfortunately, she was told by an FRC representative that another person claimed to be Robert's next of kin.
